

## The Inuit Art Corporate Incentive Reward Program™

The Inuit Art Corporate Incentive Reward Program™, a division of Native Art Traders Inc., announces two new programs for the corporate incentive market.

The Inuit, of Nunavut, Canada, have a long tradition of artistic expression; in their carvings they capture images of bear, walrus, fish, birds, seals, hunters, narwhals, shaman, sedna, inushuk and in transformation pieces.

### Benefits:

- Traditional and contemporary stone carvings from the Canadian Inuit are highly prized as art objects from the Canadian Arctic.
- The Canadian government certifies that all carvings with the "Igloo Tag" trademark are hand carved by an Inuit artist.
- These unusual awards will generate real excitement among your sales staff.
- Easy to implement.
- We do the work for you.
